WATERFALLS

A lonely mother gazing out of her window
Staring at a son that she just can't touch
If at any time he's in a jam, she'll be by his side
But he doesn't realize he hurts her so much
But all the praying just ain't helping at all
'Cause he can't seem to keep his self out of
trouble
So he goes out, and he makes his money
the best way he know how
Another body laying cold in the gutter
Listen to me

Omkvæd:

**Don't go chasing waterfalls
Please stick to the rivers
and the lakes that you're used to
I know that you're gonna have it your
way
or nothing at all
But I think you're moving too fast**

Little precious has a natural obsession
For temptation, but he just can't see
She gives him loving that his body can't handle
But all he can say is, "Baby, it's good to me"
One day he goes and takes a glimpse in the
mirror

But he doesn't recognize his own face
His health is fading and he doesn't know why

Three letters took him to his final resting place
Y'all don't hear me

(RAP)

I seen a rainbow yesterday
But too many storms have come and gone
Leavin' a trace of not on God-given ray
Is it because my life is ten shades of gray?
I pray all ten fade away
Seldom praise Him for the sunny days
And like his promise is true
Only my faith can undo
The many chances I blew
Would it bring my life to anew?
Clear blue and unconditional skies

Have dried the tears from my eyes
No more lonely cries

My only bleedin' hope is for the folk who
can't cope

Wit' such an endurin' pain
That it keeps 'em in the pourin' rain

Who's to blame for tootin' cane
in your own vein

What a shame

You shoot and aim for someone else's brain

You claim the insane
and name this day in time

For fallin' prey to crime

I say the system

got you victim to your own mind

Dreams are hopeless aspirations

In hopes of comin' true
Believe in yourself
The rest is up to me and you

Omkvæd

WHAT A FEELING

First when there's nothing
But a slow glowing dream
That your fear seems to hide
Deep inside your mind

All alone, I have cried
Silent tears full of pride
In a world made of steel
Made of stone

**What a feeling
Being's believing
I can have it all
Now I'm dancing for my life**

**Take your passion
And make it happen**

Pictures come alive
You can dance right through
your life

Well, I hear the music
Close my eyes
Feel the rhythm
In a flash
It takes hold of my heart

BRUGE OG BRUGES

(tøsedrengene)

Vi har jo brug for hinanden -
hvorfor lade som om
at det kan klares uden et smil
en hjælpende hånd

Vi har jo brug for hinanden,
hvorfor lyve om det
hvorfor skjule et sagn,
vi ved alle folk kender til

jeg er træt af at lyve og tie
træt af altid at lade være
sige hvad jeg tænker på
vise jer hvem jeg er

Omkvæd:

**For jeg vil bruge og bruges
Ja, jeg vil give meget mere
jeg vil nå indtil den verden
glæden og smerten lever og er
For jeg vil bruge og bruges
fordi mit liv er så kort
til alle dem der tør tage den
til den der vil have det
giver jeg den bort**

Vi har jo brug for hinanden

det er let nok at se

Vi er alle sammen ens når det kommer til det

Vi har jo brug for hinanden

vi kan ikke lade være

Vi bliver nødt til at sige hvad vi tænker og
give hvad der er

jeg er træt af tro noget andet
træt af den afstand det kan give
jeg holder hovedet koldt
jeg holder ryggen fri

**If you wanna be my lover,
you gotta get with my friends**

(Gotta get with my friends)

Make it last forever,

Taking is too easy, but that's the way it is**

You wanna get with me,

We got Em in the place who likes it in your face
You got G like MC who likes it on a

And as for me, ha you'll see
Slam your body down and wind it all around

NOTHING COMPARES TO YOU

It's been seven hours and fifteen days

Since u took your love away

go out every night and sleep all day

Since you took your love away

Since you've been gone,

I can do whatever I want

I can see whoever I choose

I can eat my dinner in a fancy restaurant

But nothing, I said nothing

can take away these blues

'Cause nothing compares Nothing compares to you

It's been so lonely without you here
Like a bird without a song
Nothing can stop these lonely tears from falling
Tell me baby, where did I go wrong

I could put my arms around every boy I see
But they'd only remind me of you
I went to the doctor, and guess what he told me
Guess what he told me
He said girl you better have fun
No matter what you do
But he's a fool

**'Cause nothing compares
Nothing compares to you**

All the flowers that you planted, mama
In the back yard
All died when you went away
I know that living with you baby,
was sometimes hard
But I'm willing to give it another try

**Nothing compares
Nothing compares to you
Nothing compares
Nothing compares to you**
